

**ALL SKILLZ AND DRILLZ 2020 SUMMER VOLLEYBALL CAMP
AT FAITH WEST ACADEMY
2225 PORTER RD, KATY, TX**

We will be following the Texas guidelines for youth sports. As it may change so our rules and regulations may change with it. A few guidelines are outlined below:

- Immediate handwashing upon entry to the gym will be required daily
- Hand sanitizer will be provided
- All balls will be sprayed with Lysol at the completion of each day (however there is no guarantee that this kills any or all germs)
- 1-2 Spectators per participant are permitted on the final day of camp during the last hour for tournament play. Must exercise proper social distancing.
- Every participant needs their own water bottle (clearly marked) that can be refilled using our touchless refill water fountains.
- There will be no handshakes between participants prior to or immediately following game play.

Our camp works with beginners to advanced players. We will place your daughter in the group that is best for her skill set.
