2019-2020 COURSE SELECTION STUDENTS ENTERING 9th THROUGH 12th GRADES

Each school year, 7th through 11th grade students are required to make their course selections for the following school year. They also must select whether they want to be placed in a Pre-Advanced Placement (PAP), Advanced Placement (AP), College Prep (CP), or Dual Credit (DC) version of their core classes. Mrs. Derry will review all PAP, AP, and DC placement requests.

Each day contains three periods for core classes, two periods for electives, and one period for a guided study. • Each student must select Bible along with one selection in each of the four core class categories. Juniors and Seniors also may select a computer science course if the corequisite is met. • You may select two electives each year. Students should make three selections in the event one of the selections is full. Indicate with numbers 1, 2, and 3 for your first, second, and third choices. Classes enroll on a first come, first served basis, so return this selection sheet with parent signature as soon as possible. • SAT Prep is most beneficial when taken as a Junior. | <p>COURSE SELECTION NOTES</p> <ol style="list-style-type: none"> 1. Juniors may not take Physics AP and Chemistry AP at the same time. 2. If this is your first time to participate in the FW band, you must meet with the Band Director. 3. PALS requires an application and acceptance. 4. One semester course for .5 credit. 5. Studio Art AP has a prerequisite of HS Art 1. 6. Computer Science AP has a corequisite of Pre-Calculus or higher. Online only. 7. An additional fee is charged for this classes. 8. Dual credit courses have an additional fee and require application with the accrediting college. 9. Prerequisites are AFNR and one additional AG credit. 10. Can fulfill the Speech requirement. |

ADDITIONAL EDMENTUM ONLINE ELECTIVES

In order to allow our students the ability to explore other areas of interest, we have partnered with Edmentum, which provides an online learning environment. Students will be scheduled in the learning lab and a teacher will monitor their progress. Parent approval of this class platform is required. Parents and students will have several opportunities during the Summer to review this platform. Dates to be announced.

These courses incur an additional \$60 charge.
