2019-2020 COURSE SELECTION STUDENTS ENTERING 7th AND 8th GRADES

Each school year, 7th through 11th grade students are required to make their course selections for the following school year. They also must select whether they want to be placed in a Pre- Advanced Placement (FAP) or College Prep (CP) version of their core classes. Mrs. Derry will review all FAP and AP placement requests.

<ul style="list-style-type: none"> FWA uses a block schedule with a two day rotation cycle. Each day contains three periods for core classes, two periods for electives, and one period for a guided study. Each student must select Bible along with one selection in each of the four core class categories. You may select one elective each year. Students should make two selections in the event one of the selections is full. Indicate with numbers 1 and 2 for your first and second choices. Classes enroll on a first come, first served basis, so return this selection sheet with parent signature as soon as possible. 	<p>COURSE SELECTION NOTES</p> <ol style="list-style-type: none"> 1. To take Spanish I FAP you must be enrolled in English 8 FAP. 2. Students who are new to the band must meet with the band director. 3. Offered in even graduation years. 4. Offered in odd graduation years.

Grade for 2019-2020: _____

Beginning Fall 2020, the title of 'Pre-Advanced Placement' (PAP) courses will change to Faith West Advanced Program (FAP)." For example, if a class was previously called, 'Geometry PAP,' it will now be called 'Geometry FAP.'

The change to the course titles is in response to the College Board owning the trademark for the term "PAP." In Fall 2020, The College Board will launch an official PreAP program, and this program focuses more on grade level content rather than the more advanced content. This new information helped many districts across Texas to make the decision to discontinue using the PreAP title.

Faith West Academy will continue to use its own PreAP advanced curriculum as it has historically done. However, the PAP course title names have been changed to more clearly identify and define them as "above grade level courses."

Should you or your student have any questions about the new course names (FAP), please contact Mrs. Derry.
