Athletic Handbook
2019-2020

Mission Statement

Our mission statement of the Faith West Athletics is to provide a dynamic environment which promotes competitiveness, teamwork, and self-discipline. Our goal is to build Christ-like character and good sportsmanship which will become lifelong traits. Faith West athletics helps to fulfill the mission of the school by teaching the Christian way of competing and the Christian way of life as expressed through our three core values:

- Our school's core values are governed by reverence for God, respect for ourselves, others, and authority, and responsibility for one's actions.
- Excellence without Compromise shall be defined as being equipped to fulfill each student's God-given potential. Compromise shall be defined as anything other than God's design. Excellence without Compromise shall be defined as being equipped to fulfill each student's God-given potential. Compromise shall be defined as anything other than God's design.

Faith West Athletics is an important part of student life and will help to foster Christian fundamentals. Our philosophy of sports is that it is used to enhance a student's academic efforts by providing them with physical activity on a competitive level.

As coaches and mentors we stand by our mission statement, we commit to helping students find their purpose and gifts through Athletics.

Isaiah 40:30-31 (NIV)

Even youths grow tired and weary, and young men stumble and fall; but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

Dear Parents and Student – Athletes,

Welcome to Faith West Athletics!

Our goal in the Athletic Department at Faith West is to provide an environment of competition, cooperation, and teamwork for our students that will glorify God and provide valuable life lessons. Winning the contest is important to any competitor; however, the lessons learned in the heat of competition are the most important attributes to be gained from the contest.

Our coaches are dedicated to assisting all athletes in reaching their maximum potential as an athlete, but more importantly, as an outstanding citizen. There are a wide variety of teams to choose from and all students are encouraged to participate. Participation in multiple sports is encouraged to ensure a healthy balance. A strength and conditioning program is provided all year for in-season and off-season training. This handbook contains the philosophies, policies and guidelines which govern the Faith West Academy Athletic Program, as well as some of the rules required by the school and our governing leagues. In some instances, it may be necessary to add to this policy during given school year. In those instances, every effort will be made to inform athletes, parents, and coaches of these changes as soon as possible.

Our high school students compete through TAPPS and we are a 4A size school in that association. Our Junior High program participates in the Houston Area Private Schools (HAPS). Jr. High Football (only) participates in the Houston Six-man Football conference (HSFC).

We ask that you read this handbook thoroughly with your student-athlete(s). All of the forms in this Handbook must be read and signatures provided on file before a student-athlete can participate.

We look forward to another great year in Athletics!

Sincerely,
David Adams
Athletic Director

1 Corinthians 9:24-27 (NIV)

²⁴ Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. ²⁵ Everyone who competes in the games goes into strict training. They do it to get a crown that will not last, but we do it to get a crown that will last forever. ²⁶ Therefore I do not run like someone running aimlessly; I do not fight like a boxer beating the air. ²⁷ No, I strike a blow to my body and make it my slave so that after I have preached to others, I myself will not be disqualified for the prize.

School policy's for Student-Athletes

Athlete's Code of Conduct:

A Faith West Athlete is a student's choice and thereby a privilege. Student-Athletes shall conduct themselves in a way that brings positive recognition to God, Faith West Academy, their team, their sport and themselves. A Faith West Student-Athlete reflects the mission and identity of the school, no matter where he/she is. Student-Athletes are expected to behave at all times with consideration of others thoughts, word, and deed. Student-Athletes must abide by the school's stated rules and any other stipulated by the Athletic Department staff members. A list of expectations can be found at the end of this document.

Academic Expectations and Eligibility of the Student-Athlete:

Eligibility for extra-curricular activities (athletics, ComedySportz, praise band, etc.) will be determined by grades on the nine-week report cards. Students failing two courses or more at the nine-week grading period are ineligible for two weeks after report cards are issued. At that time, according to TAPPS rules, if a student is not failing more than one course they will become eligible at that time. This eligibility policy is in accordance with the TAPPS by-laws. Sponsors, teachers, and coaches are encouraged to "keep current" regarding their students' grades so that students will be continually encouraged to make their academics a priority.

"Keeping current" will also help sponsors, teachers, and coaches, plan for necessary adjustments in their program or team should students become ineligible. FWA views its co-curricular activities as an integral and necessary part of a student's overall education, however co-curricular activities are a privilege earned and maintained by thorough and diligent attention given to respect and responsibility in the academic areas. Any student failing a class on the nine weeks report card may not miss that class in order to participate in an extra/co-curricular activity. After the two-week period, students may regain their eligibility to participate but will not be allowed to miss any class they are still failing in order to travel or participate in an extra/co-curricular event until the end of those nine weeks.

In order for a student to participate on any given day in an extra/co-curricular activity, they must be in the classroom by 8:30 a.m. and must remain in school for the rest of the day. Exception: A student who has a doctor, dentist, or orthodontist appointment must return to school before 3:00 p.m. and sign back in at the Etc./Attendance Office with a doctor's note verifying the appointment. Any other exceptions must have prior approval from the principal.

FWA meets or exceeds all TAPPS requirements for co-curricular activity eligibility.

Extracurricular Activity Commitment:

A Student-Athlete will attend all practice sessions and events. Two unexcused absences will result in a mandatory Coach/AD meeting and possible dismissal from team. Parents and Student-Athletes need to recognize that absences from practices will hinder skill development and physical conditioning as well as jeopardize team unity. Time missed from a sports team practice will influence a Student-Athlete's performance and often his/her position with the team. When a personal or social event conflicts with a practice or game, we expect Student-Athletes to honor their commitment to the athletic program and their teammates. When a family event causes the Student-Athlete to be absent from a practice, the situation should be communicated to the coach as soon as possible, preferably at the beginning of the season and not the same day of the conflict (this does not include family emergencies which are unpredictable and managed differently). If the Student-Athlete quits the team or is removed from the team, he/she will not be able to participate in the next sport of the season without prior approval from the Athletic Director.

With regards to concurrent sports, student-athletes may not start one sport until they have completed the other. Beginning in the 2017-2018 school year, student-athletes who wish to participate in concurrent sports (same season sports i.e. basketball, soccer) may only do so with special permission from the Athletic Director. Furthermore, all parties involved (coaches, parents and athletes) must understand and agree that a team sport will take priority over individual sports. Student-athletes may be required to "declare" a primary sport prior to considerations being made.

Drug/Alcohol Policy:

As members of the HS student body, Student-Athletes acknowledge the importance of a healthy lifestyle that is drug and alcohol free. Furthermore, representing Faith West Academy on a team brings added responsibility to live up to high expectations in the area. Any incident involving a violation of drug and alcohol policies as outlined by the school while a student is under school jurisdiction will be dealt with by the high school administration according to guidelines set out in the Parent and Student Handbook. In addition to those penalties, a violation at any time during an athletic season (whether under school jurisdiction or not) will also result in a direct consequence in regard to athletic participation. To this end, every member of a high school athletic team agrees to adherence to The Athlete's Pledge during each season of participation. This pledge confirms a personal commitment not to use drugs, alcohol or controlled substances at any time during that season, including times when not under the direct jurisdiction of the school.

Attendance:

It is self-evident that school attendance is a prerequisite for athletic participation. Except for pre-approved absences students must be in attendance at school by 8:30 AM to be eligible to participate that day. Any absence from a scheduled practice or contest should be for legitimate

reasons only and needs to be cleared directly with the team coach or Athletic Director in person in advance of the absence. Failure to follow this procedure will result in a loss of playing time.

FWA Fine Arts Policy/ Fine Arts Wednesday:

Participation is open to any secondary student at FWA who understands and agrees to the commitment involved. Actors and singers must take part in the audition process for the production. This audition will take place at the onset of the school year. The FWA Department of Visual & Performing Arts, (including but not limited to Theatre, Tech, Choir, Art, Band, and Photography), in addition to other interested participants, will combine efforts to produce a large-scale theatrical production during the 2018-2019 school year. Secondary students are NOT required to enroll in a Fine Art elective to participate in the show. They MAY decide to do so concurrently, but class time in the Fine Arts elective will NOT be designated for rehearsals. On the contrary, all rehearsing for the production will take place outside of elective class time.

Students enrolled in a Fine Arts class for the Fine Art credit are ENCOURAGED to, (but NOT REQUIRED to) participate in this extracurricular event. If a student ELECTS to do both, then that student should take any scheduling concerns to Mrs. Strickland. The FWA administration fully supports the newly-created production restructuring, and will work to make participation possible for all interested students. The C (high school - homeroom) elective period and the I (junior high - homeroom) elective period are reserved for developing the respective disciplines and not devoted to rehearsal time for the production. (Ex: Enrolling in choir does NOT make involvement in the production mandatory. These activities are now SEPARATE and will be taught as such. Once rehearsals begin, participating students are expected to fulfill their commitments until the completion of the production, or risk losing his/her part/role.

A student/parent Contract-of-Intent will be drafted and required of students and families involved. This contract outlines the participation requirements and constitutes an agreement to participate fully in the production process. The Contract-of-Intent will outline BOTH student AND parent contribution requirements. (All families must agree to contribute in a *minimum of 1 area* of service (i.e. concession volunteer, meal contribution, etc.). A detailed schedule, containing all rehearsal and performance requirements, will be outlined for the entirety of the production process. No academic grades will be assigned to students for their involvement in this production, as this effort constitutes an “extracurricular involvement” rather than a “class”; *however*, students will be continuously evaluated and assessed in their progress in their roles. Neglect on the part of the student to attend rehearsals, learn lines, etc. may result in the loss of a role, at the discretion of the directors.

The FWA Visual & Performing Arts Department is working jointly with the FWA Athletic department to make participation possible for athletes. The athletic department understands that the Wednesday block is reserved for Fine Arts’ rehearsal purposes, and athletes will be fully excused from practices and free to participate.

A block of time has been set aside, reserved, and protected by the FWA administration for rehearsals. Each Wednesday from 2:35 (I-Period) to 5:00 pm is currently the

designated rehearsal time. Various sections within the department (band, theater, etc.) will rehearse as needed and as determined by individual directors.

Any questions should be directed to the respective directors/teachers. Athletic questions should be directed the Athletic Director, Coach David Adams.

Early Dismissal:

The head coach shall submit a request to the athletic office for permission to dismiss students early. The request shall include a list of all students for whom permission is needed. Upon approval, the athletic office will submit a request form to teachers and notify all faculty members in advance of the early dismissal. It is understood that each student is responsible for any work that may be missed during an absence.

School Vacation Periods:

Faith West Academy acknowledges the need for time away for family travel and vacation. Therefore, with the exception of the necessary practices in the two weeks preceding fall classes, the athletic department will not expect mandatory participation during the regularly scheduled school vacation periods throughout the year (*note: a three day weekend does not necessarily fall under the category of vacation and thus teams may have scheduled activities during those times). Individual teams may offer practices during vacation times and those students not involved with family travel are highly encouraged to participate. Direct communication with coaches regarding vacation plans is highly encouraged.

Semester Exams:

The athletic department recognizes the importance of exams to the overall academic success of students. Thus the schedules for athletic teams during the school exam period will reflect a reduced level of commitment from the Student-Athlete. Practices may be shortened or cancelled and travel will be curtailed when possible. However, there must be some consideration given to the need for a continuation of the season as well as the commitment each individual has made to the team. Additional study time away from the team during exams must be approved by the coach in advance.

Travel:

When a Student-Athlete represents any Faith West Academy team for an away contest several important reminders are in order. Appropriate dress, language and behavior are expected of team members throughout the entire course of the trip. Each team coach will outline expectations upon the start of a season. All travel arrangement for all sport levels will be made through the athletic office and using school vehicles. Each team will travel in their Faith West athletic gear of team uniforms or approved travel attire.

It may, on occasion be necessary for additional transportation to be provided by parent vehicles. All students are expected to travel with the team to and from contests. Any exception to this policy must be requested in writing and approved in advance by the athletic office.

All persons transporting Faith West Academy students must attend a brief Driver Orientation session, which is to be scheduled through the Administration Office. Each driver must sign a Policy Regarding Use of Private Vehicles for field trips and athletic events.

Student Parking:

All Student-Athletes must park in the student parking lot. Student-Athletes may not move their vehicle out of the student parking lot at any time for any reason. Student-Athletes may not park under the breezeway or by the fields at any time.

Mandatory Meetings, Parent Athlete Commitment (PAC):

In the interest of clarity in distributing necessary information, a mandatory Parent Athlete Commitment (PAC) meeting will be held in August. It will be the responsibility of a parent/guardian to be present for this meeting prior to participation for that season. Expectation regarding behavior, attitude, and overall representation of the team and school will be covered at this meeting. It is understood that the first responsibility for guiding students in making good choices regarding behavior and development of Student-Athletes. At the mandatory meeting and as a part of the expectation of a student being a participant on a team, a parent will be asked to confirm their support of specific athletic department goals for student conduct through signing the Athlete's Pledge.

Parent Support:

In addition to the direct support of their own child's participation, parents are encouraged to lend support to the overall success of a season by volunteering in a wide variety of ways. Some teams at the school have a parent representative who will help to coordinate the efforts of team parents on behalf of the team. Opportunities to volunteer may include: working concessions/admissions, transportation, and team meals/snacks. Families should be involved in these opportunities to the extent they are able, knowing that all their effort are appreciated.

Facilities/Equipment:

Every attempt has been made to provide the finest in athletic facilities and equipment at Faith West Academy. Students are expected to treat the facilities with respect and do their part to see that damage is not done to them. The intended use of the school's facilities is primarily for the school-sponsored teams. Students are welcome to use facilities at times other than regular team events when under direct supervision of a Faith West Coach with prior approval of the Athletic Director.

Locker rooms, and weight room are expected to be clean and orderly **at all times**. Student-Athletes should use assigned lockers to store their uniform, equipment, and personal items. Personal items should be stored in locked lockers at all times. **Faith West Academy will not be held responsible for lost items and reserves the right to randomly check lockers.**

Uniforms:

Likewise the school has acquired high quality uniforms for its teams. These uniforms are at all times the property of the school and students are expected to treat them properly, using care to wash and care for them according to instructions. Team uniforms are exclusively for use during team contests and activities. A student is not to wear uniform items in other circumstances nor allow use by others. Students are responsible financially for any damage done. An equipment or uniform that has not been returned to the coach within one week from the completion of a season will result in a charge, equal to the full replacement current value of missing item/s, and will be sent directly as part of the school's normal billing statement cycle.

Game Schedules:

All games/meet schedules, maps to venues, and team transportation information is posted on www.rankonesport.com. Game schedules are posted prior to the beginning of the specific sport. When changes are made in RankOne, updates will be populated in real time. This is your information source which keeps you connected to all the updates to your student's games and practices!

Physicals:

The Texas Association of Private and Parochial Schools (TAPPS) mandates that all levels of sports students participating in athletics have you a physical exam during the course of each school year. The completed physical must be on file in the Athletic Office prior to any participation. All necessary forms are available at any time on the Faith West Academy website: <https://tapps.biz/wp-content/uploads/2015/07/Medical-History-Packet-for-students.pdf>
ALL Physical must be on an official TAPPS Physical Form.

TAPPS Previous Participants/Transfer Students:

All high school Student-Athletes transferring to Faith West from a high school (public or private) or home school must complete Part A of the Transfer Form. Parent and Student-Athlete signatures are required. IF the Student-Athlete did participate in athletics at the previous school, Park B must be completed with appropriate signatures. All necessary forms are available at any time on the Faith West Academy website: <https://tapps.biz/wpcontent/uploads/2015/07/formpreviousathleticparticipation.pdf>

Doctor's Notice:

Parents and Student-Athletes are reminded that there are inherent dangers and risks of injury in all interscholastic athletic events. It will be essential that parents, Student-Athletes, and coaches, along with physicians, work together to see that each Student-Athlete is in good health before participation in a particular sport. If a Student-Athlete sustains a sport related physical injury that limits him/her from any specific requirements of that sport, he/she will need to have a written report from a physician/athletic trainer sent to the Athletic Office before that Student-Athlete will be considered exempt from participation. Likewise, a note from a doctor will be required in order for them to resume participation either assessment must be signed by the doctor.

Standards of Conduct

The student who chooses to participate in the athletic program will be observed by many public and private schools, media, parents, guests, peers, and staff. Participating in athletics provides the opportunity to demonstrate one's desire to reflect Christ-like values in sportsmanship and in performance.

Each coach is responsible for the conduct of the Student-Athletes within that particular program. Therefore, the coach may provide a set of rules explaining conduct and penalties for both minor and major infraction of the rules in the following areas:

General Expectations:

- I. A Student-Athlete in any sport is required to be neat, clean shaven, well groomed, (refer to Student Handbook) and in proper uniform for games, practices, and travel. Shirt, shorts, socks, and shoes-includes warm-ups. Any Student-Athlete not in proper uniform may result in game suspension.
- II. A Student-Athlete shall exhibit a Christian lifestyle which represents the school in a Christ-like manner at all times. Recognizing the varying degrees of severity of the violations (misdemeanors or felonies), consequences for such involvement may result in denial of participation depending upon the nature of the offence.
 - iv. A Student-Athlete must be ready to display effort, cooperation, respect and support for coaches and team members.
 - v. A Student-Athlete must completely abstain from the use of alcohol, tobacco products, and drugs. Refer to the Faith West Academy Parent/Student Handbook under Code of Conduct.
